JOLLY 2 AUTOMATIC COMPACTION SYSTEM features:

- * **SPEED!** *Single-stage, continuous cycle. One lever pull activates the patented, non-stop sweeping action, allowing constant loading of hopper. Compacting shovel's "free-form" pushing action overcomes the most cumbersome object, eliminating downtime and reducing labor costs.*
- * **POWER!** *High compaction saves trips to land fill..*
- * **REDUCED MAINTENANCE!** *Moving parts are simplified.*
- * **QUIETER!** *Less disruptive to residents.*
- * **PERFORMANCE!** *JOLLY 2 has been employed successfully in Italy for years.*
- * **VERSATILITY!** *JOLLY 2 Line fits any size American or European vehicle.*
- * **ENVIRONMENTALLY COMPATIBLE!** *JOLLY 2 works in harmony with nature.*

LET JOLLY 2 LAUNCH YOU INTO THE 21ST CENTURY
